Mr. T. A. Ramachandra Ayyar.—It was stated in the *Administration Report* i. e. in the Budget report that more and more money was given to Panchayats, and may I know why such big amounts as Rs. 7,000 and odd in 1100, Rs. 11,590 and odd in 1101 were allowed to lapse? If it is allowed to lapse, what is the use of allowing amounts to Panchayats?

President.—It is plain in the answer. They could not be utilised for the works for which they were allowed.

Mr. T. A. Ramachandra Ayyar.—Even for road maintenance?

President.—The amounts could not be utilised for the specific purpose for which they were allowed.

Mr. T. A. Ramachandra Ayyar.—I want the reasons.

President.—Each case will depend upon its own merits. We cannot give a general answer for all the works together. You pick up a particular case. There is a particular work. You allowed such and such an amount. Why was it not utilised for that purpose? What was the difficulty in utilising that amount? Then the answer will be forthcoming.

Mr. T. A. Ramachandra Ayyar.—I state the item, 'cleaning of wells'.

President.—Which well, in which place?

Mr. T. A. Ramachandra Ayyar.—Item No. 8.

President.—Unless you tell us which particular well, it is not possible to give the reasons.

Mr. T. A. Ramachandra Ayyar.—Cleaning wells, for which proposals have peen sanctioned in the course of one year. Then under 'maintenance of roads', there are many items. What is the difficulty of maintaining roads?

President.—Which are the roads?

Mr T. A. Ramachandra Ayyar.—Several roads.

President.—Are the reasons specified there, Mr. Raman Menon?

Mr. I. Raman Menon.—The reason is given against each in the remarks column.

Mr. T. A. Ramachandra Ayyar.—The reasons found here are "maintenance of roads, Kattur; not completed in time."

President.—Unless specific instances are put forward, there may be difficulty in furnishing the proper answer. You point out for this Cheranallur Road going from north to south or going from such a place to such a place, you allotted such and such amount. That was not utilised but was allowed to lapse. What was the difficulty in maintaining that road, by the application of funds allotted for that purpose? If you ask in

this way, the Superintendent of Agriculture and Panchayats will be bound to give you the answer. Now we may come forward with cross questions and all those things.

Mr. T. A. Ramachandra Ayyar.—It is only 54 items. I now ask, will you please ask the Secretary to publish this also as an appendix to the question, for the information of the House.

Mr. A. K. Vengu Ayyar.—It is not printed as an appendix. It is only placed on the Secretary's table for the information of the House.

President.—Are the reasons for the lapses given in the remarks column?

Mr. I. Raman Menon.—The reasons for the lapses are given in the remarks column.

Mr. T. A. Ramachandra Ayyar.—What objection is there, Sir, for publishing this as an appendix?

President.—If it is published as an appendix, it would be increasing the bulk of the proceedings. You want information and the same has been placed on the table. What is the use of making it part of the proceedings? It is to avoid the bulk of the proceedings it is so done.

List of retired teachers employed in aided schools.

24. **Mr. T. A. Ramachandra Ayyar.**—Will the Government be pleased to inquire and lay on the table a list of teachers who have retired from the Government service and are now employed in grant-in-aid schools in the State, showing the amount of pension and their present salary in each case?

Rao Sahib Mr. C. Matthai.—Vide statement appended. (*Appendix I.*)

Mr. T. A. Ramachandra Ayyar.—Sir, in the appendix it is seen that Mr. N. Gopalakrishna Ayyar's present pay is Rs. 00 and his pension is Rs. 88 and odd.

May I know what was his pay before retiring?

Rao Sahib Mr. C. Matthai.—I think it must be Rs. 200 when he retired. I cannot say exactly.

President.—Did he not earn his half pension?

Rao Sahib Mr. C. Matthai.—The pension of half of his average emoluments for the last three years.

President.—So then, his pay must be double this, when he retired.

Mr. T. A. Ramachandra Ayyar.—What I am asking is, was it this Rs. 200 or only double the pension.

Rao Sahib Mr. C. Matthai.—It could not have been exactly double this, for double this amount come to Rs. 176 and there is no grade as Rs. 176.
